

CERCIS

Forest Pansy #15; 6-7'

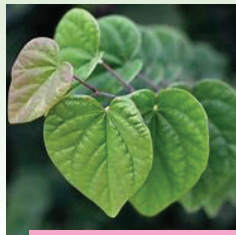

Eastern Redbuds are prized for show-stopping blooms that cloak their bare branches in early spring. Often overlooked is the beauty and sheer variety of the gorgeous, glossy, heart-shaped foliage unique to each variety. The lovely leaves showcase hues of rose, green, orange, and purple. No matter your taste, we grow a variety of Redbud sure to appeal to you. This gorgeous tree adds charm to your landscape from early spring until late fall.
