ORNAMENTAL GRASSES

AVAILABLE IN A VIGOROUS #3 SIZE

Bouteloua g. Blonde Ambition

This unique grass has horizontal chartreuse flowers that are held upright on stiff stalks. Blond seed heads remain on the plant through winter.

Carex m. Ice Dance

Deep green blades are edged with creamy white. Spreads by rhizomes to form a carpet, but not to the point of invasion. Foliage is evergreen.

Helicotrichon sempervirens

Spectacular silver-blue blades are accented with fluffy light brown terminal panicles. Forms spiky, mounding clumps.

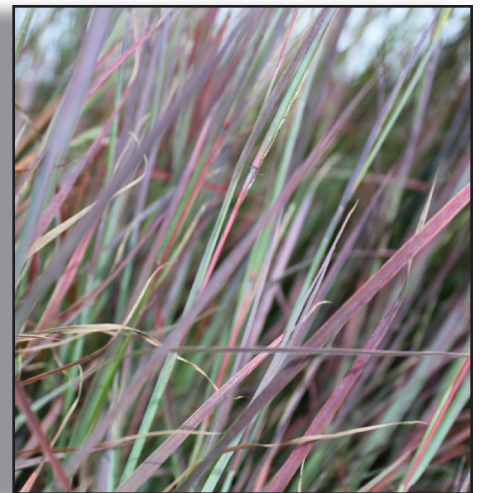

Miscanthus s. Gold Bar

Each spiky leaf is banded horizontally with bright gold on this symmetrical plant. Bold, burgundy plumes in fall.

Panicum v. Cape Breeze

Upright habit, compact size, and early flowering. Green panicles form late summer into winter. Drought, wildlife, and salt tolerant once established.

Schizachyrium s. Standing Ovation

A vigorous, sturdy, and colorful ornamental grass. The thick stems start out steely blue with hints of purples and pinks. Fabulous fall color.
